

# 2011 PUMPA CABERNET-SHIRAZ-TEMPRANILLO

---

## SONS OF EDEN, BAROSSA VALLEY, AUSTRALIA

### THE WINE:

The 2011 Pumpa is a blend of 48% Cabernet Sauvignon, 47% Shiraz and 5% Tempranillo from the Eden Valley. Named as a tribute to Len Pumpa, a pioneer of the region who planted some of the oldest vineyards in the region. Each varietal was fermented separately and then aged in French oak for 15 months. Only 450 cases were made in this vintage.

### THE ESTATE:

Sons Of Eden was born from a simple philosophy to produce wines of unique personality and flavor from vineyards of unique character and pedigree. A partnership of two men; Corey Ryan, a winemaker and Simon Cowham, a viticulturist, whose lives had been spent in and around the cellars and vineyards of the Eden Valley, gave rise to Sons Of Eden. Tapping into the vast resources and knowledge of Simon Cowham, the winery sources grapes from Barossa and Eden Valley's best vineyards. Under the highly skilled guidance of winemaker Corey Ryan, this precious fruit is gently transformed into beautiful and unique bottles of wine. Corey's experience as winemaker for the iconic Henschke Winery coupled with his passion for Barossa wines have produced the results held within these truly brilliant bottles.
