

2017 ROMULUS SHIRAZ

SONS OF EDEN, BAROSSA VALLEY, AUSTRALIA

THE WINE:

100% Shiraz from a combination of three vineyards. The Moppa Vineyard, an 85-year-old parcel, the Gomersal Vineyard, a 50-year old vineyard, and the Menglers Hill Vineyard, an 85-year-old vineyard. Hand harvested, destemmed and crushed into small open topped fermenters. The fruit was chilled for 6 days before being allowed to naturally warm up to start fermentation. Post-pressing, the wines were transferred to a combination of new and seasoned French and American oak hogsheads. Matured for 20 months in oak without racking, the wines were then carefully blended and bottled without filtration. 700 cases made.

THE ESTATE:

Sons Of Eden was born from a simple philosophy to produce wines of unique personality and flavor from vineyards of unique character and pedigree. A partnership of two men; Corey Ryan a winemaker and Simon Cowham a viticulturist, whose lives had been spent in and around the cellars and vineyards of the Eden Valley, gave rise to Sons Of Eden. Tapping into the vast resources and knowledge of Simon Cowham, the winery sources grapes from Barossa and Eden Valley's best vineyards. Under the highly skilled guidance of winemaker Corey Ryan, this precious fruit is gently transformed into beautiful and unique bottles of wine. Corey's experience as winemaker for the iconic Henschke Winery coupled with his passion for Barossa wines have produced the results held within these truly brilliant bottles.
