

# 2017 ELYSIAN ROSE

---

## CENTRAL COAST, CALIFORNIA

### THE WINE:

100% Rose of Syrah made by winemaker Ethan Lindquist in partnership with Quigley Fine Wines. By sourcing the fruit from a single vineyard, the Rancho Arroyo Grande Vineyard, we were able to pick slightly early, at about 20 brix, to maintain freshness and vitality within the syrah fruit. Fermentation was in 60% stainless steel and 40% neutral French oak with 112 cases produced. Our partnership with Ethan Lindquist was formed from a mutual philosophy on wine and winemaking. Limited production wines from sustainable vineyards with minimal intervention, allowing the vineyard and the fruit to do the talking.
