

# 2017 GOLDMINER CHENIN BLANC

---

## CLARKSBURG AVA, LODI, CALIFORNIA

### THE WINE:

A blend of 84% Chenin Blanc from a single vineyard in the Clarksburg AVA and 16% Viognier from the Lodi AVA. Clarksburg has become known as California's own little Vouvray, the Loire Valley region famous for its Chenin Blanc wines. The cooling breezes from the Sacramento River Valley create a long and moderate growing season allowing the Chenin Blanc to fully ripen without being over ripe.
