

2019 GOLD MINER CABERNET FRANC

LODI, CALIFORNIA

THE WINE:

100% Cabernet Franc from a single vineyard in the Lodi AVA of California. Winemaker Jim Olsen partnered up with Brian Kobler to produce only 5 barrels of this wine in 2019. The grapes were hand sorted and fermented in stainless steel prior to being aged for 12 months in 20% new French Oak barrels. The soils and climate in Lodi are ideal for producing grapes that have reached complete ripeness and full maturity through slow maturation on the vine. The warm summer months are cooled by breezes coming in from the San Francisco bay and funneled up the Sacramento River Delta.

TASTING NOTES:

Color: vibrant purple - violet

Aromas: ripe raspberries, fresh tea leaves, and a line of herbal notes

Flavor & Texture: soft and easy on the palate this medium bodied wine has deep red fruits and sweet spices along with tart acidity

Food Pairing: gourmet lamb burgers with melted Gruyere cheese
