

2016 CHARDONNAY-NAY

WILLAMETTE VALLEY, OREGON

THE WINE:

100% Chardonnay from a small vineyard just outside of McMinnville, Oregon. Grapes were handpicked and hand sorted prior to being cold soaked and gently pressed. Fermented in stainless steel and aged for 12 months in neutral French oak. Jerry Murray made only 75 cases of this wine. This small production Chardonnay was made under Jerry Murray's Tinkering Wines brand, a playful and lighthearted project he began two years ago to promote and showcase Willamette Valley wines with wallet friendly price points.

TASTING NOTES:

Color: light sunrise gold

Aromas: apple skin, honey and hints of citrus

Flavor & Texture: golden apple and honey soaked citrus lead to a palate that is crisp and fresh with just enough richness

Food Pairing: grilled chicken Caesar salad
