

# 2012 MINERALE

DOMAINE ST. SEBASTIEN  
COLLIOURE - BANYULS, LANGUEDOC FRANCE

## THE WINE:

90% Grenache Gris / 10% Grenache Blanc. Entirely estate grown fruit from a vineyard set on a cliff above the Mediterranean Sea. Hand-picked and gently sorted. Wine is cold fermented in 400L oak casks and the lees are stirred daily for 15 days. The wine is aged 1 year in 400L neutral French oak.

## THE ESTATE:

Domaine St. Sebastien draws from its 14 acres of A.O.C. property in the acclaimed "Collioure" district. This area is regarded as the best red wine producing region in the Languedoc. All of the vines sit on steeply terraced slopes which cannot be harvested by mechanical means. They are grown without pesticides. This low-yielding philosophy results in wines of great quality and clear expression of the terroir in which they are grown.

## TASTING NOTES:

**COLOR:** Platinum-silver.

**AROMAS:** Fresh and clean with notes of green melon, vanilla bean and traces of anise.

**FLAVORS AND TEXTURE:** Rich and viscous with honeydew melon and hints of apricot.

**FOOD PAIRING:** Maryland crab cakes with a garlic-cilantro aioli.
