

# 2013 EMPREINTES ROSE

---

DOMAINE ST. SEBASTIEN  
COLLIOURE - BANYULS, LANGUEDOC FRANCE

## THE WINE:

50% Grenache Noir, 50% Grenache Gris. Cold fermentation with minimal skin contact.

## THE ESTATE:

Domaine St. Sebastien draws from its 14 acres of A.O.C. property in the acclaimed “Collioure” district. This area is regarded as the best red wine producing region in the Languedoc. All of the vines sit on steeply terraced slopes which cannot be harvested by mechanical means. They are grown without pesticides. This low-yielding philosophy results in wines of great quality and clear expression of the terroir in which they are grown.

## TASTING NOTES:

**COLOR:** Pale salmon with a watermelon hue.

**AROMAS:** Strawberry, rose petals, white pepper and mineral.

**FLAVORS AND TEXTURE:** White strawberry, citrus, and a slightly rounded texture.

**FOOD PAIRING:** The beauty of these wines is their versatility with food – anything from salads to pasta to paninis.
