

2015 VETRÈRE LIVRUNI

PUGLIA, ITALY

THE WINE:

100% Primitivo, the varietal many believe to be the father of California Zinfandel. Sourced from a single vineyard 30km from the Ionian Sea. Fermented and aged without any oak to preserve the fruit and purity of flavors.

THE ESTATE:

Francesca and Annamaria Bruni are the owners of this family estate that produces high quality olive oil and both red and white wines. The location – on the “heel” of Italy – is ideal for growing superb grapes with its mild climate and striking contrast between daytime and nighttime temperatures.

TASTING NOTES:

Color: dark ruby red

Aromas: ripe blackberry fruit with hints of candied nuts and white pepper

Flavor & Texture: sweet berries and pepper spice mingle with the soft round texture

Food Pairing: rich San Francisco style cioppino, a seafood stew with mussels, clams, tomatoes, broth, and spices.
