

# 2017 VETRERE CRÉ

---

## VETRERE WINES, PUGLIA, ITALY

### THE WINE:

100% Minutolo, or as it's also known in Puglia Fiano Aramatico. The grapes are gently pressed with fermentation in stainless steel with several months of aging on the lees. The grapes are grown on estate vineyards in the Apulia district of Puglia, near the Ionian Sea. Total cases made is less than 600 per year.

### THE ESTATE:

Francesca and Annamaria Bruni are the owners of this family estate that produces high quality olive oil and both red and white wines. The location – on the heel of Italy – is ideal for growing superb grapes with its mild climate and striking contrast between daytime and nighttime temperatures.
