

# 2020 DE LORENZI SAUVIGNON

---

## DE LORENZI WINES, FRIULI, ITALY

### THE WINE:

Made from Estate grown Sauvignon Blanc grapes picked slightly early and at optimal ripeness to preserve acidity and freshness. After careful sorting and selection the juice is fermented and aged in stainless steel, never touching any oak. Less than 4,000 bottles were made.

### THE ESTATE:

The De Lorenzi family has been producing wines in Friuli since 1973. They have vineyards in two D.O.C.s, Friuli Grave and Friuli Lison. The winery uses both modern technology and old world traditional methods. Winemaker Carlo De Lorenzi crafts small quantities of beautiful wines with a deep respect for the environment. The family practices sustainable agriculture with mechanical weeding instead of chemical, no pesticides, and maintaining low yield per acre.
