

Elio Filippino Vertical Sampler Case

The Estate

On the right bank of the Tanaro River, 12km from Alba, this family run estate sits on the steep hilly slopes of the Serra Capelli Hill. The south-west facing vineyards encompass 10 acres and are planted to Nebbiolo, Barbera and Dolcetto. Elio Filippino is the winemaker and his wife Miriam, mother Lucia and sister Ivana all contribute greatly to the production of high quality wines. Traditional winemaking along with biodynamic vineyard practices.

2010 La Morra Barolo

100% Nebbiolo from the legendary commune of “La Morra” in Barolo. Hand selected fruit with a limited production of fewer than 500 cases. Aged for 24 months in large Slovenian oak casks to soften the robust tannins and acid of the Nebbiolo grape.

Tasting Notes. Bright garnet color with flashes of orange. Aromas of raspberries, rose petals and tobacco-like spice. Well-structured tannins guard the flavors of red fruits and spice which emerge after several hours in the decanter, or several years in the cellar.
