

# 2016 VIGNA SANCÒL MILLESIMATO

---

## VIGNA SANCÒL, VALDOBIADDENE, ITALY

### THE WINE:

100% Glera grapes, all estate grown, all from 2016 vintage. The vineyard has southern exposure and sits on the slopes of the Cartizze hill in the Valdobbiadene region of Northeast Italy. Fermented and aged in stainless steel with all hand harvested fruit. There is a small amount residual sugars left after fermentation, approximately 5 grams per liter, to round out the flavors and preserve the delicate fruitiness.

Total production 600 cases

### THE ESTATE:

The Vigna Sancòl winery is owned by Cesare de Stefani who produces less than 6000 cases per year in total. The Vineyards are all within the DOCG of Valdobbiadene–Conegliano, an area halfway between the Alps and the Adriatic Sea. This hilly region has become known to produce Italy's very best sparkling wines. The vineyards are all grown without pesticides or herbicides and because of the steep terrain the grapes are all hand harvested.
