

2020 Bluebell Chardonnay

Willamette Valley, Oregon

The Wine:

100% Chardonnay from a single vineyard in the Chehalem Mountain subregion of the Willamette Valley. With a focus on bright acidity and pure varietal flavors the wine was fermented in neutral French oak and went through malolactic fermentation. The wine was then aged for 12 months in 20% new French oak. Winemaker Jerry Murray made 105 cases of this vintage.

The Estate:

Bluebell Wines represent the collaboration between winemaker Jerry Murray and Quigley Fine Wines to produce world-class wines in Oregon's Willamette Valley. Jerry Murray's wine making resume includes Patton Valley Vineyards, Van Duzer Vineyards, and his most recent position, winemaker at Domaine Anderson. His passion for the Pinot Noir varietal along with his overall winemaking philosophy make him a perfect partner for creating limited volume, terroir driven and sustainably produced wines in this very special region.
