

2020 DeLorenzi Pinot Grigio

Friuli, Italy

The Wine:

100% Pinot Grigio from the Grave D.O.C. of Friuli Italy. This area in the Northeast corner of Italy is known for the world's very best Pinot Grigios. All hand-picked and selected, the wine was fermented and aged without oak to preserve the freshness and crisp style of Friuli Pinot Grigio. Less than 450 cases made.

The Estate:

The De Lorenzi family have been producing wines in Friuli since 1973. They have vineyards in two D.O.C.s, Friuli Grave and Friuli Lison. The winery uses both modern technology and old-world traditional methods. Winemaker Carlo De Lorenzi crafts small quantities of beautiful wines with a deep respect for the environment. The family practices sustainable agriculture with mechanical weeding instead of chemical, no pesticides, and maintaining low yield per acre. The winery is powered by solar panels and irrigated with filtered second use water.

Tasting Notes:

Color: light gold

Aromas: white flowers, red apples and honey

Flavor & Texture: clean and crisp in style showing Meyer lemon and tart apple notes; vibrant and racy acids

Food Pairing: linguine with clams
