NV Coda Classic Prosecco

This classic Brut Prosecco is made from 100% Glera grapes and made by award winning Prosecco producer Vigna Sancol. Aromas of peaches, white flowers and minerals lead to a cascade of tiny, festive bubbles. The perfect wine to start any celebration!

NV Coda Gold Cartizze Brut Prosecco

Made from a small plot of Glera grapes planted high on the Cartizze Hill in Valdobbiadene. The wines from this tiny area are unquestionably the world's greatest Prosecco. The bouquet shows white peaches, honeysuckle and crisp pear while this lively and energetic sparkling wine dances lightly on your palate.
