

2021 Elysian Rose

Santa Ynez Valley, California

The Wine:

A blend of Grenache, Syrah, & Cab Franc grapes grown in the beautiful vineyards of the Santa Ynez, AVA. The winemaker, Josh Klapper, of Brave & Maiden Winery, took special care to pick the fruit slightly early to help maintain acidity, freshness and keep the alcohol levels lower. The juice was fermented in 80% stainless steel and 20% neutral French oak. The steel helps keep the buoyancy and freshness while the neutral French oak creates depth. 110 cases made

The Project:

Our partnership with Josh Klapper was formed from a mutual philosophy on wine and winemaking. Limited production wines from sustainable vineyards with minimal intervention, allowing the vineyard and the fruit to do the talking. The wines are all sourced from sustainable vineyards in the Central Coast region of California.

Tasting Notes:

Color: Light, pale salmon pink

Aromas: Tart red berries and hints of fresh citrus with subtle peach

Flavor & Texture: Crisp and buoyant with flavors of strawberry, minerals and nectarine

Food Pairing: Seared ahi tuna salad
